Director

## RULES FOR HANDLING THE CERTIFICATE:

For the purpose of marketing the products, the certificate may be used only provided the corporate standard mentioned on the Page 1 has not changed.

The certificate may be used as a certificate for the products specified on Page 1. This rule shall also be applied to its use in promoting, advertisement and commercial materials. Unauthorized or deceptive use of the certificate may entail its withdrawal.

The data contained in the certificate may be neither changed, amended, nor modified.

The certificate cannot be used as a certificate for the products on which a change influencing conformity with the technical requirements specified on Page 1 has been done without approval of the Engineering Test Institute.
